THE GOVERNING BODY

THE COUNTY BOARD: The County Board is composed of fourteen (14) supervisors elected from fourteen (14) supervisory districts within the County. Each supervisor is elected to a term of two (2) years at an election to be held on the 1st Tuesday in April in even-numbered years and shall take office on the 3rd Tuesday in April of that year.

As legally constituted by law, this body shall be known as the "Buffalo County Board of Supervisors", herein after referred to simply as the County Board, to be inclusive of all recognized committees of the County Board. The County Board shall serve as the legislative, policy-making body of Buffalo County government.

RULES OF BUSINESS

RULE 1- ORGANIZATIONAL MEETING

- (a) The County Board shall meet on the 3rd Tuesday of April following the election of the County Board (even numbered year), for the purpose of organizing and other general business of the County Board in accordance with Wisconsin Statutes 59.11(1)(c), or as that Statute may be revised, amended or renumbered.
- (b) It shall be opened by the County Clerk or designee and then presided over by one of its own members, who shall be elected chairperson by a simple majority ballot of the county board members.

RULE 2- ANNUAL MEETING

- (a) The County Board shall meet on the Tuesday after the second Monday of November but no later than the 14th of November in each year for the purpose of passing the budget and transacting general business of the county board in accordance with Wisconsin Statutes 59.11(1), or as that statute may be revised, amended or renumbered.
- (b) If the date falls on November 11th, the annual meeting shall be held on the next succeeding day.

RULE 3- MONTHLY MEETING

- (a) In addition to the meetings prescribed above, the County Board shall usually meet on the fourth Monday of each month, except April and November, for the purpose of transacting general business of the County Board.

- (b) This date may be changed, or the monthly meeting may be cancelled by the County Board Chairperson in the event there is not enough business to warrant a meeting, or due to any other extenuating circumstance.
- (c) In the event a scheduled meeting is to be cancelled or changed, all members will be appropriately notified either by mail, verbally or electronically.
- (d) The tentative meeting dates shall be established and approved by the County Board each December for the upcoming year.

RULE 4- SPECIAL MEETINGS

- (a) The County Board may be called into special sessions by request of the County Board Chairperson or upon written request of a majority of members of the County Board. Such written request shall be delivered to the County Clerk and shall specify the purpose and time of the meeting. The date of the special meeting shall not be less than 48 hours from the date of delivery of the written request to the County Clerk. Upon receiving the request, the County Clerk shall immediately contact each supervisor with notice of the time and place of the meeting either by e-mail, verbal or electronically.
- (b) The County Board Chairperson may call an emergency meeting upon at least two (2) hours' notice in the event of a declared emergency. A declaration of emergency must be included as part of the meeting notice. Upon convening, the County Board shall ratify the existence of the emergency as a condition of proceeding further. For purposes of this rule, an emergency is deemed to exist if time is of the essence and a delay in meeting is likely to or will result in substantial damage, injury, or harm to the County, its residents, or property.

RULE 5-JOINT COMMITTEE MEETINGS

- (a) A committee may request a joint meeting with another committee on matters of common concern.
- (b) When a joint committee meeting is requested, the requesting committee chairperson will cooperate in preparing for the meeting and in determining the time and place, who is to preside and all other arrangements for the joint meeting. The person presiding at the meeting is responsible for providing notice of the meeting.
- (c) If differences arise that the committee chairperson cannot resolve, the chairperson of any affected committee may ask the County Board Chairperson to intervene. The County Board Chairperson may order whatever action is necessary to ensure the success of the joint committee meeting.

- (d) Each committee participating in a joint meeting will vote separately on matters that come before the joint meeting that are within the authority and duties of the committee.

RULE 7-OPEN MEETINGS

- (a) All meetings of the County Board and its committees, and all other County governmental bodies must comply with the Wisconsin Open Meetings Law.
- (b) All meetings must be preceded by a public notice that specifies the time, date, place and subject matter of the meeting, including any matter intended for consideration in closed session, in a manner that is reasonably likely to inform the public and the news media of the nature and purpose of the meeting.
- (c) The person preparing the notice shall submit the original and three (3) copies to the County Clerk. The County Clerk is responsible for reviewing and posting the notice as required by the Open Meetings Law.
- (d) A motion, resolution, or ordinance offered for the purpose of new business or rescinding something previously adopted may not be voted upon at a meeting unless specific notice of the subject matter was given as required by the Open Meetings Law. If the matter was not noticed, any action must be set over to a later meeting for which notice is given.

RULE 8-CLOSED SESSIONS

- (a) Wisconsin law authorizes closed sessions when necessary to protect the public interest and when holding an open session would be incompatible with the proper conduct of governmental affairs.
- (b) Every meeting must be initially convened in open session. The meeting may subsequently convene in closed session only if a closed session is permitted under Wisconsin Statutes 19.85(1) and the meeting notice provides for a closed session.
- (c) Closed sessions should be held sparingly, and a meeting should remain in open session if there is any doubt about whether a closed session is permitted. All discussion during closed session must be limited to the business specified in the meeting notice for the closed session.

- (d) Discussions held, information presented or obtained, and actions taken during closed sessions are deemed to be confidential information and must not be disclosed without the proper legal authorization. Punitive action may be taken for improper disclosure.
- (e) The Chairperson of the committee, subcommittee, or board may exclude any member or citizen from closed session portions of meetings pursuant to Wis. Stats. 19.89.

RULE 9 -RULES OF PRACTICE

- (a) The rules of parliamentary practice comprised in Robert's Rules of Order, latest edition, shall govern the proceedings of the County Board in all cases in which they are applicable and where they are consistent with State laws and these rules.

- (c) The chairperson presiding at the meeting shall grant permission and recognize the nonmember to address the members. Members of the committee must yield the floor to a nonmember. Once recognized, the nonmember may speak without interruption, except for procedural matters. A nonmember who is called to order by the person presiding must immediately cease speaking.
- (d) A nonmember will normally be allowed three (3) minutes for public input. However, the person presiding may establish a shorter time limit. Additional time will not normally be granted, but the person presiding has the discretion to do so.

No one may be compelled to answer a question that is asked during public input.
- (g) The chairperson presiding may take whatever action necessary to maintain an appropriate level of decorum and order at all times. CODE OF ETHICS

The County Board is aware that the Wisconsin State Statutes set forth various forms of conduct which are deemed to be prohibited and this code is not intended to be a criminal code. The acts prescribed herein need not be done with intent to do wrong, rather they are acts which, in doing, might cast doubt upon the integrity of the person so acting.

Purpose- Because the Buffalo County Board of Supervisors has long been a progressive innovative body, it is in the best interest of the citizens of the County that this board continue to reaffirm its leadership by adopting a Code of Ethics.

Intent- The purpose of this code is to hold the respect and inspire confidence of the people of the County and to protect the respective Supervisors from suspicion of misconduct. It is not intended to be a punitive approach to ethics; rather it is a listing of those essentials of ethical conduct which all elected officials should observe.

Unethical Conduct- Failure to abide by the rules of conduct on the part of a Supervisor shall be deemed unethical, provided nothing herein shall prohibit a Supervisor from entering into a contract as provided by state law and within the statutory limits imposed. Unethical conduct by a Supervisor may result in removal of the Supervisor from any associated committee(s) by the County Board Chairperson for the duration of the Supervisor's term of office. Removal from office by the County Board would be a 2/3 majority vote.

Any member of the County Board may file an ethical violation claim against another member with the County Board Chairperson. The County Board Chairperson will contact the member. If it is determined that further action should be taken, the County Board Chairperson shall consult with the Executive Committee to determine appropriate next steps. If the ethical violation is with the County Board Chairperson, the Vice Chairperson shall be contacted.

Members of the County Board shall receive mandatory ethics training.

A County Board Supervisor shall not vote on any legislation in which they have a personal or financial interest. Additionally, each Supervisor shall disclose prior to a vote on the issue, the nature and extent of any personal or financial interest in legislation pending before the County Board. The Supervisor shall abstain from voting on such an issue and shall be excused from any meeting dealing with that issue.

Each County Board Supervisor shall take care to avoid any circumstances which cause that Supervisor to have a conflict of interest in carrying out the duties of the County Board; additionally, Supervisors shall avoid those situations in which there appears to be conflict of interest. For purposes of this section, a "conflict of interest" means a direct or indirect personal or financial interest which is inconsistent with the proper performance of one's official duties or which would tend to impair one's independence of judgment or action in the performance of official duties.

A County Board Supervisor shall immediately disclose a family relationship with any employee of the County and excuse himself/herself from any discussion, conversation, deliberation, or vote pertaining to any matter which may have an impact on a family member employee.

A County Board Supervisor shall not use their position to obtain preferential treatment or use their position to obtain financial gain for themselves or their immediate family members or for any business with which they are associated.

A County Board Supervisor shall not disclose or use privileged information concerning the County to promote a private or personal financial gain.

A County Board Supervisor shall not disclose or otherwise release any discussions and/or other information made known to the Supervisor during the "closed session" portion of any meeting.

Any Supervisor directly or indirectly involved in a zoning issue shall disclose his or her position and abstain from discussions or voting on such an issue.

A County Board Supervisor shall not directly or indirectly lease or purchase any property from the County not normally available to the general public.

For purposes of determining the existence of a real or apparent conflict of interest, such a conflict on the part of the Supervisor's parents, spouse, or children shall be a conflict for the Supervisor.

Any public employee or public official shall not receive or offer to receive, either directly or indirectly, any gift, gratuity, or other thing of value which they are not authorized to receive from any person if such person: 1) Has or is seeking to obtain contractual or other business or financial relationship with the County or the County Board; or 2) Has an interest which may be substantially affected by the County or the County Board of supervisors. The receipt of any gift, gratuity, or anything of value as denoted above is contrary to the public policy of the County.
